

Core Principles of Professional Conduct

Speak with honesty and kindness

I will communicate truthfully and respectfully with children, families, and colleagues, fostering trust and emotional safety.

Ensure fairness and equity

I will treat every child with equal care and respect, providing inclusive opportunities that honour diverse backgrounds and abilities.

Promote positive relationships

I will model empathy, cooperation, and conflict resolution to help children build strong, respectful connections with others.

Create a nurturing learning environment

I will make decisions that support the wellbeing, growth, and development of all children, contributing to a joyful and enriching educational space.
